Students are the prize possession of the institution. Our mission is the around development of the students. We aim to make our students academically sound, mentally fit, socially concerned and environmentally aware global citizens of future India. Students of the institution show honesty and integrity in all sorts of academic affairs. The institution organizes seminars, webinars, workshops and counseling programmes on regular basis to inculcate mental alertness and social responsibility among the students. Regular programmes are also organized in the college on various social and environmental issues. Almost seventy percent students of this co- educational institution are females. Keeping it in mind our college has taken several steps by organizing a number of counseling programmes on various aspects of gender equity to make the students alert on the importance of gender balance and necessity of woman empowerment. In order to foster social responsibility and community engagement among the students our college has organized a number of outreach programmes . The NSS unit of the college has extended its activities in neighbouring areas so that the volunteers are motivated to inculcate the spirit of social commitment and develop co-operative mindset. Our NSS unit has adopted a local village where special camps are held. IQAC in collaboration with the NSS unit of the college has organized blood donation camp during which a number of local people also donated blood. During COVID-19 pandemic, two days vaccination camp were organized In our campus. A free cold drinking water station has been set up within the campus which supplies pure drinking water not only to our students but is also accessible to the local farmers who are used to collect drinking water throughout the year. Our college has organized Thalassemia Awareness Programme in which our Principal DR. J. K. Mukherjee was the resource person. Dr. Mukherjee explained the genetics of the disease in a very lucid manner and gave importance on necessity of awareness of the common people.

Our Value Based Education effort is aimed at imparting moral values among the students. In fact, morality in today's decaying society is of utmost importance and should essentially be practised at undergraduate studies. For this reason, masterminds of our Value Based Education Programme have categorically selected topics on moral values, dignity of labour, discipline and time management, mental health etc. for first semester students of the college. Our institution has framed a unique code of conduct which is hoisted in the college website and it is formulated to guide the students for what to do and what are not to do. A committee regularly monitors the overall performance of the students to maintain the campus environment healthy and sustainable to all our stakeholders. Our Principal and faculty members deliver talks on topics related to Value Based Education. The institution organizes an induction programme every year for first semester students in which they are made aware of the code of conduct. Parents and guardians are also made familiar with the code of conduct at the time of parent- teachers' meet.

The students of our college belongs to families of different socio-economic backgrounds. The college authority always try to maintain universal brotherhood within the campus by organizing different programmes. Every year Department of Bengali in collaboration with IQAC of the college observe International Mother Language Day. Students actively participate in all our cultural programmes . Celebration of such programmes strengthens unity in diversity of Indian culture. Students are made familiar with the cultural and religious diversities of the nation. Various commemorative days are observed within the campus with a view to make our students aware of our cultural heritage. Almost all the departments of the college publish wall magazines of their own. This is the platform where the students are encouraged to show their creativity and improve their writing skills. Annual sports are organized with great enthusiasm.

Students, teachers and non-teaching staff of the college actively participate in college sports. The institution has taken green campus initiatives and all stakeholders participate in plantation programme. The NSS unit of the college maintains a medicinal plant garden and a flower garden in the campus. The institution practices solid waste management within the campus. As far as environmental awareness of our students is concerned, our students are sensitized by participating in special camps, cleaning programmes, Swachhata Pakhwada and other awareness programmes. Students are encouraged to observe different Environmental Days such as World Environment Day, No Tobacco Day, No Vehicle Day etc.

The institution has already progressed to publish ASSM Journal of Humanities a bilingual (Bengali and English), multidisciplinary journal of its own. Our aim is to publish original research articles in humanities and social sciences.
